Color Laser Printer

## Impressive Performance Brilliant Color Result

Professional with enjoyable connectivity, this Pantum CP2200DW features an easy mobile printing or a wireless color printing that offers users efficient business production. Simply handle color prints in fast speeds and high qualitywith the help of the automatic duplex printing and a 1GHz dual-core processor.

Notes:

1. The toner cartridge capacity is the average print volume of it during continuous printing at the single-sided mode, based on the ISO/IEC 19798 standard.

2. All the specifications are from Pantum internal test data. Actual print volume may vary based on other factors such as paper size and feed direction, toner coverage, tray source, percentage of black-only printing, and average print job complexity.
